tootoo.com Case Study: Vintop International

"We started subscribing to tootoo.com in October 2007. At first, our thoughts were to use this as a short term trial subscription. However, during our subscription period, we participated in several buyer sessions organized by tootoo.com and afterwards, we started to receive product inquiries from all over the globe. Now, in less than one year, we have secured 7 orders, 1 from Italy, 2 from Australia, 3 from HongKong, 1 from England, totaling about RMB3 million. In addition, we are currently in the process of negotiating with several other buyers.

We would like to thank tootoo.com for helping us to successfully expand our international reach and complete all these transactions. We look forward to renewing our subscription to tootoo.com in order to continue our success." May 9, 2008

Vintop is a Chinese supplier providing children's toys and gifts, digital electronic products, car accessories, computer accessories, personal products, sports and leisure products and home appliances
