Hosts face-to-face meetings for buyers and suppliers in Suzhou

May 30, 2008

For this meeting, tootoo.com invited international buyers from Sri Lanka, France and Hong Kong, as well as close to 50 qualified Chinese suppliers.

Mrs. Erin Himaya, buyer from Sri Lanka who attended the meeting in Suzhou:

"As a first time attendee at face-to-face meetings hosted by tootoo.com, I was very impressed by the unique format compared to typical trade shows I've previously attended.

The face-to-face meetings provide an efficient means of meeting qualified suppliers. In fact, I was very excited to have met over 40 suppliers in this meeting; most of their products match our procurement requirements perfectly. Over half of these suppliers demonstrated strong capabilities and I have selected 5 factories to visit on-site tomorrow. I will definitely attend future events."

Mr. Chi Chen, Director of Product Development of tootoo.com

"Not only is tootoo.com a powerful online B2B tool for international trade, but also it offers offline services for our buyers and suppliers such as regular face-to-face meetings, which are aimed to provide an efficient meeting ground for buyers and suppliers. As a benefit to our paying members, the invitations are typically sent to them in priority."
